At NRCA, we encourage students to serve as Christ would serve and seek to be a blessing to those being served. With this mindset, their work will reflect integrity, diligence, care, and excellence for the glory of God. Our goal is from James 2:18, which says, "...I will show you my faith by my works..."

High school students in the Class of 2024 must complete 12 hours of community service for each year they are enrolled. Starting with the Class of 2025, all students must complete at least 25 hours of community service for each year they are enrolled. Also, beginning with the Class of 2025, to encourage service in the local community beyond NRCA's campus, students may earn a maximum of half their community service hours serving on campus. A senior who has completed a minimum of 100 hours (Class of 2024) and 150 hours (Class of 2025 and after) prior to graduation will be honored with a silver cord at Baccalaureate.

Community service must be volunteered at a school, church, or in the community within 100 miles of NRCA's campus. Community service is not (1) where the student receives remuneration of any kind, (2) self-improvement workshops, conferences, or internships, (3) rehearsal or practice time, (4) service performed as a disciplinary action, (5) service to fulfill an academic requirement, (6) babysitting for an individual family, or (7) service to family members or a business for profit.
